The Challenge Ahead...

Times are tough. Pubs and Clubs are being squeezed... many of them out of existence.

We are still here, but we are feeling the pinch. Last year's Committee made every effort to curb unnecessary expenditure. Even so, we still returned a loss on the financial year.

We need to turn that round... starting right now, with the continued support of every member. Not next month, not next year... but right now!

So how can you help? Most

obviously by just coming to the Club more often. Money over the bar means turnover, and turnover means profit. And don't come alone - bring a friend... we can still take new members.

Also, think seriously about organising your special family celebrations at the Club. It's one of the great advantages of membership, using our facilities to celebrate christenings, first holy communions, birthdays, wedding anniversaries, and retirement parties.

*The Club is
130 years old
next year...
...with your
support we will
celebrate in
style!*

These events are vital bar revenue to us - so let's have your business!
 Mike McIntyre

What's going on at the Club on the Common

Well, hopefully, it will still be England's World Cup campaign!

We've had two great nights so far, frustrated only by England's lack-luster performances. What a difference a goal would make.

This Wednesday is crunch time - only a win will do. In spite of the 3pm kick-off the Club will be open and a good crowd is pretty much assured.

Make sure you're there for England's most important match for years. Beer at £2

a pint might help to tempt you, and hot pies will also be available to add to the occasion.

Beyond the World Cup you can see from the Diary Dates on the left that we've got a pretty full calendar of events coming up.

And don't forget our regular theme nights shown on the right.

Come along for Bingo this Sunday and you could walk off with the Snowball at £160.

Don't forget these regular events...
LINE DANCING
Every Monday 8pm
QUIZ NIGHT
Every Tues 8.30pm
ALPHABET TOTE
Friday evening
MEMBERS' DRAW
Sunday lunchtime
BINGO
Every Sunday 8pm
